NEWS RELEASE

East Lansing based Strathmore Development Company receives final approval on rezoning request in Leroy Township.

On April 2, 2002, Strathmore Development Company received final approval on its rezoning request for approximately 5.9 acres in Leroy Township on the Grand River corridor (M-43) near the I-96/M-52 Interchange. Strathmore was seeking a change from Residential-Agricultural (RA) zoning to Heavy Commercial (HC) zoning for purposes of expanding its operations for landscape, lawn care, and snow removal services to support various commercial and residential projects throughout the state.

Strathmore Development Company is proud of its reputation working with local governments to develop projects consistent with sound planning, and which are in the best interests of the communities in which it operates.
