MAY 1, 2007 FOR IMMEDIATE DISTRIBUTION

## STRATHMORE DEVELOPMENT COMPANY WELCOMES DAN SIETTAS

---

Strathmore Development Company is pleased to announce the addition of **Dan Siettas**, hired March 8, 2007 as Facility Systems Manager in Strathmore's Information Technology division. Previous experience includes the documentation and support of a 3,500 user network comprised of Cisco switching, firewall, and routing equipment. Mr. Siettas is responsible for technology deployment for projects under development as well as all company in-house facilities resources, including web-based systems.

Strathmore Development Company is an East Lansing based real estate investment, development, and management company that works closely with communities on all aspects of commercial and residential real estate including the redevelopment of environmentally challenged sites, repositioning of existing projects, and historic renovations. Strathmore Development Company maintains numerous professional affiliations, including membership in the National Trust for Historic Preservation, Urban Land Institute, American Bar Association, American Institute of Certified Public Accountants, and the National Society of Professional Engineers.

Strathmore Development Company has earned a solid track record of successfully completing challenging projects while benefiting its clients, partners, and the communities it serves.
