July 15, 2008 FOR IMMEDIATE DISTRIBUTION

## “CENTER OF BONITA SPRINGS” SHOPPING CENTER RENOVATION COMMENCED IN BONITA SPRINGS, FL

Strathmore Development Company is pleased to announce that construction has commenced for the building façade and parking lot renovations to the 287,000 square foot shopping center known as “The Center of Bonita Springs” located in Bonita Springs, Florida.

Lansing, Michigan based Ledy Design Group is directing the architectural and engineering with Fort Meyer based consulting firm DeLisi Fitzgerald, Inc. directing the local approval process. Local Bonita Springs based Deerbrook Construction is acting as construction manager for the project. The project involves the complete renovation of the center including out parcel buildings during which the tenants will be remaining open for business at this high-traffic quadrant at US 41 Tamiami Trail & Bonita Beach Road.

Strathmore Development Company is an East Lansing, Michigan based real estate investment, development, and management company with offices in Michigan and Florida. The company works closely with communities on all aspects of commercial and residential real estate, including the redevelopment of environmentally challenged sites, repositioning of existing developments, and historic renovations. Strathmore Development Company maintains numerous professional affiliations, including membership in the United States Green Building Council, National Trust for Historic Preservation, Urban Land Institute, American Bar Association, American Institute of Certified Public Accountants, and the National Society of Professional Engineers. Strathmore Development Company has a solid track record of successfully completing challenging projects while benefiting its clients, partners, and the communities it serves.
